about us

SINCE 1980
WOOD IS OUR
GREATEST PASSION

WHO WE ARE

ICM distribuisce compensati, pannelli e semilavorati. Per soddisfare un mercato in continua evoluzione e orientato a materiali innovativi ICM importa i propri prodotti dai maggiori paesi produttori del mondo, distinguendosi per la qualità globale della propria offerta che nasce da un equilibrato rapporto tra prodotto, prezzo e servizio. Ad un ottimo materiale di base, che è il fondamento della nostra filosofia commerciale, ICM ha saputo affiancare una qualità del servizio in grado di creare quel valore aggiunto che fa la differenza. Nel corso degli anni, ICM ha arricchito la sua gamma di prodotti includendo doghe per letti, articoli di design e parquet di produzione propria.

Sostenibilità. Ambientale, Etica e Sociale, tramite piani per la valutazione, misurazione e miglioramento del livello di sostenibilità interna (ambientale, sociale, etica, economica) e dei propri fornitori con un attento controllo dei processi di acquisto.

ICM distributes plywood, panels and semi-finished products. To satisfy a continuously evolving market oriented towards innovative materials, ICM imports its products from the major producing countries in the world, standing out for the global quality of its offer which arises from a balanced relationship between product, price and service. To an excellent basic material, which is the foundation of our commercial philosophy, ICM has been able to combine a quality of service capable of creating that added value that makes the difference. Over the years, ICM has enriched its product range by including bed slats, design items and parquet own production

Sustainability. Environmental, Ethical and Social, through plans for the evaluation, measurement and improvement of the level of internal sustainability (environmental, social, ethical, economic) and of its suppliers with careful control of purchasing processes.

MATRIX

I pannelli Matrix, sono la soluzione moderna e di tendenza per coniugare la funzionalità e la durata. Sono in grado di rendere unici ed eleganti tutti gli ambienti della tua casa (anche il bagno e la cucina) e sono ideali per caratterizzare l'immagine di negozi e locali. Abbiamo due tipologie di appartenenza: Rovere da vecchie travi e Rovere da Briccole di Venezia.

Matrix panels are the modern and trendy solution to combine functionality and durability. They are able to make all the rooms of your home unique and elegant (even the bathroom and kitchen) and are ideal for characterizing the image of shops and venues. We have two types of belonging: Oak from old beams and Oak from Briccole di Venezia.

ONE IL TAVOLO

ONE il tavolo. Nasce dalla volontà di unire eleganza ed essenzialità per un prodotto unico nel suo genere. Realizzato unicamente dalla combinazione di due materiali (legno e metallo) si presenta come un oggetto di arredo semplice e di grande valore.

ONE the table. It was born from the desire to combine elegance and essentiality for a one-of-a-kind product. Made solely from the combination of two materials (wood and steel), it presents itself as a simple furnishing object and of great value.

PARQUET

Dal classico allo straordinario, offriamo una vasta gamma di opzioni di formato e qualità. Tra le nostre creazioni, troverete la magia delle "Vecchie Travi" che narrano storie d'altri tempi e la bellezza intramontabile delle "Briccole di Venezia," che portano con sé l'essenza di una città unica al mondo. Produciamo inoltre il moderno WSF (Wood Structural Flooring). I nostri esperti artigiani realizzano diversi tipi di pose, dalle tradizionali alle sofisticate come la "Spina Italiana," la raffinata "Francese" e la rinomata "Ungherese." Per un tocco di lusso senza tempo, lasciatevi sedurre dalle "Quadrotte Versailles," simbolo di eleganza e raffinatezza.

From classic to extraordinary, we offer a wide range of size and quality options. Among our creations, you will find the magic of the "Vecchie Travi" which tell stories of other times and the timeless beauty of the "Briccole di Venezia," which bring with them the essence of a unique city in the world. We also produce modern WSF (Wood Structural Flooring). Our expert craftsmen create different types of poses, from traditional to sophisticated ones such as the "Italian Herringbone", the refined "French" and the renowned "Hungarian." For a touch of timeless luxury, let yourself be seduced by the "Quadrotte Versailles," a symbol of elegance and refinement.
